**From the
Desk of
Fr. Dan**

“What have you done for me lately”? I remember these lyrics from a popular 80’s song by Janet Jackson. The lyrics of the song are a lamentation of a wife whose husband used to treat her well, but now basically ignores her. She wonders why the relationship has changed so drastically and why his love seems to have slackened.

I think of this when I look at how the Israelites treat God in the book of Exodus. Just after the Lord leads Israel out of slavery in Egypt, allowing them to cross the Red Sea on dry land and destroying the Egyptian army in the process, the people sing a hymn of praise and triumph to God. Then we’re told,

After traveling for three days through the wilderness without finding water...the people grumbled against Moses, saying, “What are we to drink?”

Of course, God comes through for them and provides them water. Just a month later, when they have no food to eat, they say this:

If only we had died at the Lord’s hand in the land of Egypt, as we sat by our kettles of meat and ate our fill of bread! But you have led us into this wilderness to make this whole assembly die of famine!

Again, God provides them food – manna in the morning and quail in the evening. This becomes a recurring theme in Exodus. Almost immediately after God miraculously responds to the needs of the Israelites, they are complaining about something else. They are basically saying, “Yeah, Lord, you did some wonderful things for us, but that was last week. *What have you done for me lately?*” We can be just as fickle as the Israelites. When we are in need and God doesn’t seem to be answering, we can forget just how much He has taken care of us to this point. We are often tempted to ignore the wonders of the past and focus on what we need here and now, even when that is shortsighted. We forget that God loves us in every moment, not just in past moments. His love never slackens for us and He has proven throughout history that He will answer when we need Him. We simply need to trust and wait for Him to answer.

**Diocesan Lenten
Appeal**

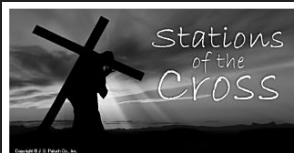

We are beginning our annual Diocesan Lenten Appeal for our parishes. Through this action we provide financial support for the ministries, activities and services made possible throughout the Diocese of Greensburg by our diocese. The funds raised through this appeal allow the Churches to make a real impact in the lives of many people. These are our parish goals this year:

St. Pius X - \$47,269

Visitation - \$35,192

Without this support, the work of our diocese would suffer. This year we invited the newest members of our community to join this annual undertaking. However, we need those who have consistently lend their support, once again to do the same. Please know that any funds we receive over the Diocesan goal for your parish will remain to help projects in your parish. This year I ask for your sincere gifts to this campaign. We ask that your pledge cards be placed in the offertory basket at any weekend Mass or at the parish office. Please mark the outside of the envelope with your parish name. Our goal is to complete this appeal within the Lenten Season, but we need your help and support to do so. Thank you. Please prayerfully consider your DLA pledge.

Call to Stewardship

Our parishes are blessed with many fine examples of Christian stewards, and for that, we are truly thankful. We are also thankful for the many blessings that God has bestowed on us. Continually, we are asked to reflect on how we can put our gifts to work in the service of God and one another, through our parish and community. I ask you to make a commitment about how you plan to share your gifts during the coming year. Please pray that our parishioners may be moved by the Holy Spirit to respond generously to the needs and projects in our parishes. In the coming weeks, we will be asking for your help in our annual Diocesan Lenten Appeal. I hope you can find a place in your heart and time in your days to step forward for our parishes.

Jesus as Teacher The Highest Qualifications

It is great to learn from a master. Whether it be carpentry or cooking, piano playing or business administration, there is nothing like learning from someone with a good background of experience. Such people have gained practical wisdom. They have learned what works and what doesn't work. Jesus was often called "Master." Living what He taught, He had high qualifications. Evidently, this was obvious to people, because they flocked out to hear Him. The disciples, Jesus' inner group, gradually came to realize that Jesus' qualifications went even beyond practical wisdom. One time He asked them, "Who do people say that I am?" Peter answered: "You are the Christ." Jesus was a supreme teacher, because His knowledge came directly from the One who set our lives in order. We all have the privilege of learning from the very best. We learn by both listening and doing. We are present-day disciples. The old values we found in fishing or in any day-to-day activity are not the sum total of our life possibilities. They are essential to keeping body and soul together, but each of us has inner spiritual potential that can enrich both our own lives and the life of the world around us. We learn from our Master Teacher in two ways. The scriptural account of Jesus' life and teaching helps us to understand what is of highest worth. For example, He draws a contrast between the arrogant show of rich men, who put large gifts into the temple treasury, and the heartfelt generosity of a poor widow, who gave only a couple copper coins. Jesus saw in her gift a greater value than all the others put together. Jesus revealed life's highest values. When we are open to it, we also learn by having Jesus' living presence within us. The resurrection is a continuing, every-day event, as we sense Christ's Spirit as a guiding presence within.

Easter Devotional Candles

This Easter season devotional candles will be available at both churches. The name of the person for whom the candle is intended will appear on each candle. Please call the parish office to reserve a candle, the cost is \$10 each.

**Girl
Scout
Sunday**

Today we celebrate Girl Scout Sunday.

We recognize all the Brownies, Junior, Cadet, and Senior Girl Scouts and their leaders from our parish and our area. Girl Scouting is a program that helps girls grow spiritually, morally, emotionally and physically. I congratulate each and every girl who has made a commitment to this program and I hope they continue on their road to adulthood. I thank all of these girls for taking the road less travelled. I also thank all of the adults who help with local troops in the program. Some have not had a child in the scouting program for years, but have stayed active because of their love of scouting. This is a tribute to the goals and precepts of the Girl Scouts of America. I thank all the scouts for all they do for our parish, our parishioners and our communities. I ask that you continue to be fine examples to those around you.

The Mount Pleasant ministerium will return to hosting a series of Lenten lunches, through March 29, on the Wednesdays of Lent. The luncheon begins at noon and will conclude at 1pm. The afternoon will include a reflection by one of the clergy from the area and a light lunch will be served. There is no charge for this meal. All lunches will be held at Mt. Pleasant Church of God at 936 W. Main Street. All are invited to attend for a time of fellowship and reflection during this season of Lent.
